enterprise marketing & research services

enterprise marketing & research services

Polling was conducted from the 15<sup>th</sup> to the 17<sup>th</sup> of December 2018.

1,000 adult Tasmanian residents were interviewed and responses weighted to reflect the Tasmanian adult voting population.

A sample of this size provides a margin of error of +/- 3.1 percentage points at the 95% confidence level.

**Chart 1 – Federal Primary Vote  
(Percentage of decided voters)\***

% of decided voters (n=923)

Labor was ahead in the current poll showing a lead of 7 percentage points over the Federal Liberal Government.

Two in five decided voters (40%) stated they would vote for Labor if a Federal election was held today, compared to one in three who would vote Liberal (33%).

The remaining decided voters reported that they would vote for the Greens (11%), or an alternative to the major parties (15% in total).

\*Percentages do not sum to 100 due to rounding.

Q. If a FEDERAL election was held today who would you vote for?
